**MEMORANDUM FOR THE MEMBERS AND OBSERVERS, NATIONAL TELECOMMUNICATIONS
AND INFORMATION SYSTEMS SECURITY COMMITTEE**

SUBJECT: 13 June 1986 Meeting of the NTISSC

1. This memorandum forwards the agenda for the 13 June meeting of the NTISSC. The meeting will be held from 1400 to 1600 hours, in Room 2700 (second floor) of the GSA National Capital Region (NCR) Building, located at 7th and D Streets, S.W., Washington, D.C. For attendees planning to arrive via Metro, L'Enfant Plaza is the station located closest to the GSA NCR Building.

2. Members and Observers are reminded to provide advance written notification to the Chairman (copy to the Executive Secretary) if an alternate representative will be in attendance. This written notification must identify the alternate and specifically state the individual is appropriately cleared and empowered to speak on behalf of the agency/department represented.

3. The "Second Annual Evaluation of the Status of Telecommunications and Automated Information Systems Security Within the Government of the United States" was forwarded to all Committee representatives on 8 May 1986 (reference NTISSC-041/86). As this item is included on the agenda for discussion, attendees may find it useful to bring the report to the 13 June meeting.
